CLASS POLICIES AND PROCEDURES

In order to promote the success of your student, The Guthrie School has developed some guidelines for teachers, students, parents, and guardians to follow. Please review the following policies and sign at the bottom. Prior to enrollment being complete we require a signed policy, completed registration and tuition form, and tuition payment.

Class Attendance/Homework

- Classes are held once per week and students are required to attend the class time/day for which they signed up.
- If there is a need for an absence or temporary schedule change, 8-hour notice is required.
- Students are assigned homework based on lessons taught that week and successful completion of the previous week's homework. Please bring back all work assigned to be graded, reviewed, and re-taught if necessary.
- For best results, please set aside 15-20 minutes per day/per subject to devote as Guthrie Time. Breaking up the lessons throughout the week develops good study habits, discipline, and reinforces the lessons taught in class.

Changing a Schedule

- In order to maintain classroom dynamics and student/teacher ratio, we require advanced notice (8-hours) to attend a class outside of your student's schedule. Attendance is subject to administration/teacher approval.
- Any permanent schedule changes need to be received by our office in writing by completing a schedule change form (to be obtained from the office).
- Teachers may not make permanent schedule changes.

Make-Up Classes

- 8-hour notice is required for planned absences. Classes missed with proper notification will be considered EXCUSED absences and therefore are eligible to be made-up.
- 4 make-up classes are allowed per semester. Make-up classes must be scheduled and approved IN ADVANCE.
- The make-up class should be attended in the current month.
- No credit is given for missed classes, and make up classes do not carry from one semester to the other.
- To notify the office of an absence call 972-596-6929 or email the Director of Enrichment.

Teacher Absences

- In the event that a teacher is absent, The Guthrie School will provide a qualified substitute who will ensure the proper continuity of the student's classes.
- If a substitute teacher is not available, every effort will be made to contact students to arrange a make-up lesson.

Pick-Up / Carpool

- Please be timely in collecting your student after class ends. Our teachers' schedules are full and tardiness affects the next student's session.
- Once class time ends, teachers will accompany students to the front lobby to be collected or to await pick-up.
- Late pick up will incur a \$25.00 + \$2.00/minute charge five minutes after the last class ends.

Wellness Policy

- Please do not send your child to class if they are ill.
- Students must be fever free for 24-hours prior to attending class.
- If your student missed school due to illness, he/she should be considered too ill to attend Guthrie.

Holidays / Off Days

- Lessons will not be offered during holidays listed on The Guthrie School Enrichment calendar.
- The holidays will not change the overall number of lessons received each semester.

School Closing

- If, for any unforeseeable reason such as inclement weather, the center must be closed, we will notify you via email. Please check our website for updates.

Parent/Teacher Conferences

- Parent teacher conferences may be scheduled at a parent or teacher's request. Please work with your child's teacher to arrange a time that works for both parties.
- We appreciate and encourage communication on a regular basis. Please feel free to contact us.

Tuition and Fees

- Tuition is calculated by semester; tuition is not prorated for absence or withdrawal during a semester.
