GUTHRIE ENRICHMENT

ENROLL TODAY!

We've got the after school hours covered! Find answers to all your enrichment questions.

WELCOME TO GUTHRIE ENRICHMENT

The Guthrie Enrichment program offers an array of small group, instructor-led classes designed to perfectly complement your student's traditional academic courses. Classes are offered in a variety of disciplines in order to address the academic needs of students, from most athletic to most artistic, and everyone in-between. With a variety of class choices, caring and experienced teachers, and a breadth of curriculum, we offer our students the diverse educational experience and individualized attention he or she needs to succeed.

Our classes are ability-grouped and are designed to teach and reinforce lessons on a weekly basis. Classes meet once a week. During this time, students are taught a lesson, introduced to a variety of activities to practice the skills taught, and assigned homework to reinforce. Additionally, students are expected to achieve and maintain organization by using the notebook and agenda provided to them at their first class.

Students who attend writing classes other than that offered by The Guthrie School are not eligible to apply for private instruction.

ENRICHMENT FAQ'S

Q: What is Guthrie Enrichment?

A: Guthrie Enrichment is an enrichment and tutoring program that provides advanced academic classes in a variety of subject areas. Our goal is to inspire a student's love of learning and challenge them to meet their academic potential.

Q: What are the hours of the Enrichment classes?

A: Tuesday-Friday after school and Saturday morning.

Q: What feedback will I get about my child's progress?

A: We believe that parents, students and teachers are a team, and to that end we encourage open communication. Student work will be graded and returned for students and parents to review.

Q: How do I pay?

A: Tuition is calculated based on the number of hours your student will be attending class per week. Tuition is paid by the semester and payments may be made by cash, check, ACH or credit card (3.5% fee).

Q: Are classes held over student holidays?

A: A calendar is published prior to the start of each semester. Tuition is calculated with these holidays in mind, and you are not charged for the dates The Guthrie School is closed.

JUST THE FAQ'S

Q: What curriculum do we use?

A: We use a variety of curriculum to best serve our students. We keep up to date with Texas standards and utilize a wide variety of sources to help meet our students' individual needs.

Q: How does the curriculum compare to what is taught in public schools?

A: Our curriculum intentionally overlaps with curriculum taught in both private and public schools. Our classes are designed to teach depth of content and to develop problem solving skills. While the skills taught overlap, the methods applied to teach our students vary and are designed to meet the needs of the students in the class.

Q: How much work is assigned each class?

A: For most classes, a student will take home approximately 1-2 hours of homework. We advise that homework be completed throughout the week rather than all in one night.

Q: What ages do we teach?

A: Guthrie Enrichment serves students from Pre-Kindergarten through High School.

Q: When can I register for the next semester?

A: Schedules for the upcoming semester are released prior to the beginning of the new semester. We encourage you to sign up as early as possible as class space is limited and spaces fill up quickly.

JUST THE FAQ'S

Q: What is the Young Scholars enrollment process?

A: New students are required to take an Assessment Test. The testing fee is \$100 (\$60 credited towards registration fee upon enrollment).

- Complete Enrollment Packet.
- Turn in the Enrollment Packet, required documents and payment to the office.

Q: How do I know the appropriate level for my student?

A: We listen to parent feedback, look to current coursework and scores, and may require an assessment prior to your student beginning classes. Progress is continually monitored for content understanding and mastery, and should it come to pass that their current level is no longer meeting their needs, we will contact you regarding adjusting their schedule.

Q: How do I switch classes?

A: As the year goes on, we understand that schedules change, and your student may need to switch classes. To initiate switching classes, email the Assistant Head of School to receive a "Schedule Change Request." Once it has been verified that there is space available, you will receive a "Schedule Change Verification" phone call or email.

Q: How do I make up classes?

A: We require advanced notice of absence in order to schedule a make up class. Please notify the Admin Team 24-hours ahead of time. In case of illness, please notify the front office ASAP by calling 972.596.6929.

Q: What if I am running late?

A: If you are running late for class, please call 972.596.6929 to notify the front office

JUST THE FAQ'S

Q: How do I register for Private Lessons?

A: Private lessons are offered to current private lesson students first. If you are interested in private lessons, you will be put on the waitlist. If there are any remaining spots available, you will be contacted directly. Please call the office at 972.596.6929 if you interested in private lessons, shared-private or semi-private.

Q: How do you handle discipline?

A: The Guthrie School reserves the right to dismiss from its program any student whose conduct is unsatisfactory, who fails to conform to the rules and regulations or who is unable or unwilling to participate in a group setting. No refund or transfer of tuition to another program will be made upon a student's withdrawal or dismissal from any summer program due to discipline or inability to participate. The Guthrie School staff and teachers follow our discipline policy, which is part of the registration packet.

Q: Does my student have to be a Guthrie School student to attend Guthrie Enrichment?

A: No! The Guthrie School Enrichment Program welcomes students from any school, race, color, religion, and national or ethnic origin.

Q: How are you handing COVID-19?

A: Masks are optional. Hand washing and sanitizing are mandatory in every classroom. Surfaces and high touch point areas are disinfected multiple times per day.
